

# A PROUD COMMUNITY

We want to thank our shared community for all of the support we have received throughout the many years of Country House!

Because of our close bonds with the community (including many schools, churches, businesses, organizations, and all the families and individuals) we were able to come together as one to make a difference in the lives of those who set the table for us.

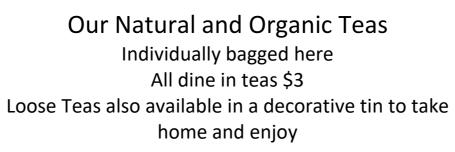

From day one of the "Shelter in Place" order on March 17<sup>th</sup>, without pause, we reached out to help! To date we have provided over 115,000 complimentary meals to Seniors, Veterans, First Responders, healthcare workers, and families! We have already raised over \$140,000 in donations on top of the \$240,000 directly from Country House management and employees to support this massive initiative! Not to mention all of you who volunteered and helped get the word out.

THANK YOU ALL FOR AN UNPARALLED INITIATIVE! From local to national news we have shown the country OUR amazing strength by standing tall to help.
